6. The DCI requested Mr. Becker to ascertain from Dr. Millikan how in general the figures compare between the [redacted] estimate on Soviet airplane production and US estimates. Done 25X1

7. Mr. Dulles reported that [redacted] was not due to retire from the [redacted] for two years, but the DCI commented that [redacted] might make some arrangement making him available to CIA at some earlier date. 25X1 25X1

8. Mr. Dulles stated that Henry Luce wished to have [redacted] report at least nominally, back to his job with Luce but that he would give him all the time needed during the next month to assist [redacted] and this was felt to be satisfactory. 25X1 25X1

9. Mr. Dulles inquired whether it would be advisable to send a copy of the DCI's latest letter to Gen. Willoughby to [redacted] and the DCI approved.

13. Mr. Wisner raised the subject of morale of personnel and indicated that Messrs. [redacted] and Johnston have specific proposals about which they desire to see the DCI. After some discussion, it was agreed that the DCI would visit OPC at 4:30 pm on 10 January in order to meet the senior officials of the Office and to give them a 15 minute talk on future objectives. There was also a request that OSO be given a further opportunity to brief the DCI, but no final decision was reached on this matter.

14. Mr. Wisner indicated that Admiral Radford would be here from 16 to 20 January 1952 and it was agreed that in view of this timing, Messrs. Johnston and [redacted] should defer leaving on their trip, so as to be here to brief the Admiral. In this connection, the DCI indicated that the Admiral's jurisdiction should be clarified, since he personally is not certain as to whether his authority stopped at the seacoast or extended to other areas.

15. In connection with the foregoing, the DCI inquired as to what had happened with respect to the suggestion he had made to Secretary Lovett respecting activities [redacted] and it was indicated that this matter was still under consideration by the JCS having been sent to them by Under Secretary of Defense Foster.

16. The DCI indicated the urgent need for a Headquarters Commandant and Mr. Becker indicated that it was presently contemplated, as the result of discussions between Mr. Wolf and himself, that [redacted] would be brought into this office

21. Mr. Wisner also reported that the McCarran Committee had subpoenaed a man who had been brought in by CIA. The principle reason for the issuance of this subpoena was not known but it was doubted that CIA was involved.

22. Mr. Hedden indicated that he wished to make a full report when Mr. Wolf was present, but he did wish to state that he had looked into Col. Baird's unclassified pool and found that it was in excellent order. The trouble existed in the unclassified pool administrated by Gen. Davison. He planned to make a fuller report at some later date.

23. Mr. Becker reported to the DCI that the Brownell Committee had heard representatives of AFSA and State on Saturday last and next Friday wished to hear from CIA representatives. Mr. Douglass was in charge of preparing this presentation.
